I know it may be like looking for a needle in a haystack, but you never know what may be in someone's garage just taking up space. So, I ask you, if that fits your description, please call me at [REDACTED] and I will make arrangements to pick up quickly. Honestly, it's not for myself, but for a wonderful lady that works at Food For The Poor and she wants to get healthy again and involved in what she used to do: kayaking! I thought of posting this as I've seen miracles here on this board. Thanks to you all! Debbie

Well, I can't seem to fit into most of my regular clothes too well anymore and thought I would see if anyone here has any maternity clothes they would like to pass along? I am a small (pre-baby size 4) so small or mediums would be preferred. Thank you!

I keep these at work so PU must be Monday-Friday between 8:00am and 1:30pm.

Irregular shaped blocks, good for packing or maybe crafts.

Posted by: "Steve" [REDACTED]

Very similar to this: http://www.amazon.com/Interactive-Health-Ottomman-2-0-gray/dp/B000TKAKA6/ref=sr_1_12?ie=UTF8&qid=1316745716&sr=8-12.

It's in good condition and works fine but it is kind of rough so if you are looking for a gentle massage this isn't it.
